\* The validity of this certificate shall be verified on the FSC database at info.fsc.org. \*\* A description of the products and services as well as a list of areas and/or group/multisite members that are included in the scope of the certificate may be obtained from the FSC Database. The description of the products and services could be performed by the network of group/multisite members and not necessarily by each of them. -- This certificate including all copies or reproductions remains the property of GFA and shall be returned or destroyed upon request. This certificate itself does not constitute evidence that a particular product supplied by the certificate holder is FSC-certified or FSC Controlled Wood. Products offered, shipped or sold by the certificate holder can only be considered covered by the scope of this certificate when the required FSC claim is clearly stated on invoices and shipping documents.
